Using your imagination...

- Imagine you were given a magic pencil of your very own... what would you draw to make come to life?
- If you were granted one wish, what would it be?
- Imagine if flowers could sing! What song would like to hear them sing?
- What rides or treats would you like to have if you had your very own amusement park?
- If you had a real life faery of your very own, where would he/she sleep? What magic does your faery have?
- Arabella erased Avery with her magic pencil...where do you think he disappeared to?
